No matter what your reasons are, changing your handwriting is a simple process that involves patience and practice. Take some time each day to write instead of type. An easy way to get your practice is to start journaling. If you aren't sure what to write about in your journal start by making notes on your handwriting practice. While it will take some time to see changes, a journal gives you a good record to look back and see the progression of your efforts.

When we purposefully change our handwriting,
we introduce attitudes that can improve our
relationships, give us the impetus to achieve
and take risks, and simply bring out the best
in us. This is because our handwriting is a
reflection of our innermost thoughts and
feelings. When we fall in love, survive a
serious illness, or change careers, our view
of life is dramaticall.
