"Myth" articles refute society's myths with the truth of God's Word; "Factoid Profiles" reveal must-know, interesting facts about selected men of the Bible whom God used despite their failings; "Downshift" notes ask penetrating questions to reflect on, either alone or with a friend or mentor; "Knowing God" callouts highlight the attributes of God as shown in Scripture and what they reveal about your identity as a man; "At Issues" notes discuss important life topics such as money, sex, and pride; and book introductions, a topical index, and articles on relevant topics make this Bible a helpful tool for you or any man. NIV ©2011. The New International Version (NIV) translation of the Bible is the world's most popular modern-English Bible—easy to understand, yet rich with the detail found in the original languages.
