Malek Adjouadi, PhD, is Ware Professor with the Department of Electrical and Computer Engineering at Florida International University, Miami. He received his PhD from the Electrical Engineering Department at the University of Florida, Gainesville. He is the Founding Director of the Center for Advanced

Where To Download Evaluation Kit Ultra

Technology and Education funded by the National Science Foundation. His earlier work on computer vision to help persons with blindness led to his testimony to the U.S. Senate on the committee of Veterans Affairs on the subject of technology to help persons with disabilities. His research interests are in imaging, signal processing

Where To Download Evaluation Kit Ultra

and machine learning, with applications in brain research and assistive technology.

Armando Barreto, PhD, is Professor of the Electrical and Computer Engineering Department at Florida International University, Miami, as well as the Director of FIU's Digital Signal Processing Laboratory, with more than 25 years of

Where To Download Evaluation Kit Ultra

experience teaching DSP to undergraduate and graduate students. He earned his PhD in electrical engineering from the University of Florida, Gainesville. His work has focused on applying DSP techniques to the facilitation of human-computer interactions, particularly for the benefit of individuals with disabilities. He

Where To Download Evaluation Kit Ultra

has developed human-computer interfaces based on the processing of signals and has developed a system that adds spatialized sounds to the icons in a computer interface to facilitate access by individuals with "low vision." With his research team, he has explored the use of Magnetic, Angular-Rate and Gravity (MARG) sensor modules

Where To Download Evaluation Kit Ultra and Inertial Measurement Units (IMUs)

for human-computer interaction

applications. He is a senior member of the Institute of Electrical and Electronics Engineers (IEEE) and the Association for Computing Machinery (ACM). Francisco R. Ortega, PhD, is an Assistant Professor at Colorado State University and Director

Where To Download Evaluation Kit Ultra

of the Natural User Interaction Lab
(NUILAB). Dr. Ortega earned his PhD in
Computer Science (CS) in the field of
Human-Computer Interaction (HCI) and
3D User Interfaces (3DUI) from Florida
International University (FIU). He also
held a position of Post-Doc and Visiting
Assistant Professor at FIU. His main

Where To Download Evaluation Kit Ultra

research area focuses on improving user interaction in 3DUI by (a) eliciting (hand and full-body) gesture and multimodal interactions, (b) developing techniques for multimodal interaction, and (c) developing interactive multimodal recognition systems. His secondary research aims to discover how to increase interest for CS in

Where To Download Evaluation Kit Ultra

non-CS entry-level college students via virtual and augmented reality games. His research has resulted in multiple peer-reviewed publications in venues such as ACM ISS, ACM SUI, and IEEE 3DUI, among others. He is the first-author of the CRC Press book *Interaction Design for 3D User Interfaces: The World of Modern*
