'Of power, I could tell you much. One must seize the moment, and strike.' Grand Moff Wilhuff Tarkin He's the scion of an honourable and revered family. A dedicated soldier and distinguished legislator. Loyal proponent of the Republic and trusted ally of the Jedi Order. Groomed by the ruthless politician and Sith Lord who would be Emperor, Governor Wilhuff Tarkin rises through the Imperial ranks, enforcing his authority ever more mercilessly...and zealously pursuing his destiny as the architect of absolute dominion. Rule through the fear of force rather than force itself, he advises the Emperor. Under Tarkin's guidance, an ultimate weapon of unparalleled destruction moves ever closer to becoming a terrifying reality. When the so-called Death Star is completed, Tarkin is confident that the galaxy's lingering pockets of Separatist rebellion will be brought to heel - by intimidation or annihilation. Until then, insurgency remains a genuine threat. Escalating guerrilla attacks by resistance forces and new-found evidence of a growing Separatist conspiracy are an immediate danger the Empire must meet with swift and brutal action. And to bring down a band of elusive freedom fighters, the Emperor turns to his most formidable agents: Darth Vader, the fearsome new Sith enforcer as remorseless as he is mysterious, and Tarkin - whose tactical cunning and cold-blooded efficiency will pave the way for the Empire's supremacy...and its enemies' extinction.

Tells the complete tale of Grand Moff Tarkin, who guides the creation of the Death Star and paves the way for the Empire's supremacy--and whom even the dreaded Darth Vader obeys.

Witness the rise of the Empire with these two thrilling Star Wars novels—plus exclusive short stories by Melissa Scott, John Jackson Miller, and Jason Fry!
TARKIN “ Compelling . . . The villains of Star Wars are as much fun as the good guys. ” —New York Daily News Under Governor Wilhuff Tarkin ’ s guidance, an ultimate weapon of unparalleled destruction—the so-called Death Star—moves ever closer to becoming a terrifying reality. Until then, insurgency remains a genuine threat. Guerrilla attacks by an elusive band of freedom fighters must be countered with swift and brutal action—a mission the Emperor entrusts to his most formidable agents: Darth Vader, the fearsome new Sith enforcer, and Tarkin, whose tactical cunning and cold-blooded efficiency will pave the way for the Empire ’ s supremacy—and its enemies ’ extinction. A NEW DAWN Foreword by Dave Filoni “ A story with pacing and dialogue that feels like classic Star Wars. ” —Nerdist Ever since the Jedi were marked for death, Kanan Jarrus has devoted himself to staying alive rather than serving the Force. So when he discovers a conflict brewing between Imperial forces and desperate revolutionaries, he ’ s not about to get caught in the crossfire. Then the brutal death of a friend forces him to choose between bowing down to fear or standing up to fight. But Jarrus won ’ t be fighting alone. Soon he is joined by Hera Syndulla—a mysterious agent provocateur with motives of her own—in challenging the Empire for the sake of a world and its people.

In war, no one is safe. War has come to Thornstone, Tarkin ’ s Point, and Thoriddon, throwing all three nations into chaos. Led by the demon lord Vagborar, the legions of orcs are bent on nothing less than the total annihilation of both human and dwarf. With their demonic allies, they just might succeed. But not without a fight. As Serena tries to find answers and a path to victory, Orin and Brom fight with both sword and spell to turn back the tide of darkness. Beside them are a kingdom of dwarves and a city of humans, but even they may not be enough to beat back such a force. If they hope to survive, they need to come together, but with each nation under siege, uniting as one is easier said than done. When one of them is freed from battle, hope is rekindled, but prejudices rise to the surface, threatening everything. If any of them hope to survive, past actions and old hatreds must be forgotten. Hard decisions and painful sacrifices must be made. And pride and egotism must be set aside for the greater good. If not, a new age of evil will dawn upon the world.

NEW YORK TIMES BESTSELLER • Go beyond the film with a novelization featuring new scenes and expanded material. As the shadows of the Empire loom ever larger across the galaxy, so do deeply troubling rumors. The Rebellion has learned of a sinister Imperial plot to bring entire worlds to their knees. Deep in Empire-dominated space, a machine of unimaginable destructive power is nearing completion. A weapon too terrifying to contemplate . . . and a threat that may be too great to overcome. If the worlds at the Empire ’ s mercy stand any chance, it lies with an unlikely band of allies: Jyn Erso, a resourceful young woman seeking vengeance; Cassian Andor, a war-weary rebel commander; Bodhi Rook, a defector from the Empire ’ s military; Chirrut Î mwe, a blind holy man and his crack-shot companion, Baze Malbus; and K-2SO, a deadly Imperial droid turned against its former masters. In their hands rests the new hope that could turn the

tide toward a crucial Rebellion victory—if only they can capture the plans to the Empire ’ s new weapon. But even as they race toward their dangerous goal, the specter of their ultimate enemy—a monstrous world unto itself—darkens the skies. Waiting to herald the Empire ’ s brutal reign with a burst of annihilation worthy of its dreaded name: Death Star. Praise for *Rogue One: A Star Wars Story* “ One of the best movie adaptations yet. ” —Cineline “ *Rogue One* bridged characters and elements of the prequels and original *Star Wars* trilogy in a visually stunning ride, but there are even more rich details hiding in the film ’ s novelization, [which] reveals and expands with inner monologues and character insights, political knots, and nuance. ” —The Daily Dot “ *Rogue One: A Star Wars Story* novelization deepens a tale of hope. . . . [Jyn Erso] proves to be even more fascinating here than she was in the movie. ” —New York Daily News

Dr. Aphra teams up with Darth Vader himself in the original script to the audiobook production—an expanded adaptation of the critically acclaimed *Marvel* comics series. Dr. Chelli Lona Aphra, rogue archaeologist, is in trouble again. A pioneer in the field of criminal xenoarchaeology, Aphra recognizes no law, has no fear, and possesses no impulse control. To her, the true worth of the galactic relics she discovers is found not in a museum but in an arsenal. This viewpoint has led to a lot of misunderstandings. After her latest plan goes horribly wrong, Aphra ’ s roguish ways are on the verge of catching up to her. That ’ s when suddenly Darth Vader, terror of the galaxy, swoops in with his lightsaber and . . . saves her life? Don ’ t get her wrong—it ’ s not like she ’ s ungrateful. Sure, her new boss is a lord of the Sith. And okay, she may have just become a pawn in a deadly game being played by him and his boss, who happens to be the Galactic Emperor. And yes, the life expectancy of anyone who disappoints Vader can be measured in seconds. But she ’ s back doing what she does best. She ’ s got a ship to fly, a heist to pull, and two unorthodox but effective metal buddies: Triple-Zero, a protocol droid specializing in etiquette, customs, translation, and torture; and BT-1, an astromech loaded with enough firepower to take down a battlecruiser. Together, they might just find a way to get the job done and avoid the deadly performance review that waits at its conclusion. Just kidding. She ’ s doomed.

Exiled to Tatooine, Obi-Wan Kenobi works to hide his Jedi powers and establish an alternate identity for himself as an eccentric hermit while protecting an infant Luke Skywalker and aiding the residents of Tatooine.

-The only way to bring down the Sith's most dangerous warrior may be to join forces with the dark side---Page 4 of cover.
