See Richard A. Posner, *Tort Law: Cases and Economic Analysis* 492-493 (1982). 4 William M. Landes and Richard A. Posner, "The Influence of Economics on Law: A Quantitative Study," 36 *J. L. & Econ.* First, it considers what the components of an "Austrian" law and economics might consist of. 48 Property (though it is as much about Dworkinian legal theory) (chapter 5), pragmatism in law ...

~~posner economic analysis of law chapter 6~~

Richard Posner brought economic analysis of law to the attention of the general legal academy; by the late 1970s, his work had provoked a vigorous controversy. This controversy was both general and doctrinally specific. Posner had claimed generally that the common law was and ought to be efficient.

~~ECONOMIC ANALYSIS OF LAW—Harvard Law School~~

Posner summarized his views on law and economics in his 1973 book *The Economic Analysis of Law*. Today, although generally viewed as to the right in academia, Posner's pragmatism, his qualified moral relativism and moral skepticism, and his affection for the thought of Friedrich Nietzsche set him apart from most American conservatives. As a judge, with the exception of his rulings with respect to the sentencing guidelines and the recording of police actions, Posner's judicial votes have ...

~~Richard Posner—Wikipedia~~

Law and economics or economic analysis of law is the application of economic theory to the analysis of law that began mostly with scholars from the Chicago school of economics. Economic concepts are used to explain the effects of laws, to assess which legal rules are economically efficient, and to predict which legal rules will be promulgated. There are two major branches of law and economics. The first branch is based on the application of the methods and theories of neoclassical economics to t

~~Law and economics—Wikipedia~~

Judge Posner writes about the subject clearly, and introduces the translation of welfare economics to law in an orderly fashion. Examples and cases abound. This is a good introduction both to the rational choice way of thinking about human motivation, as well as the consequences this will have for policy and law.

~~Economic analysis of law by Richard A Posner—Alibris~~

First, we show that Posner does not only propose an economic analysis of the working of the legal system but also that his approach has changed in the early 1970s, shifting from a law and economics...
